SOUTH HIGH

CLEVELAND, OHIO

SONS OF

Sons of South proclaim with pride
Right and honor, yet deride
Weakness, boasting, selfish greed;
Strive for honest thought and deed.

Daughters, let your voices praise
Golden truths and golden days,

SOUTH HIGH 1966

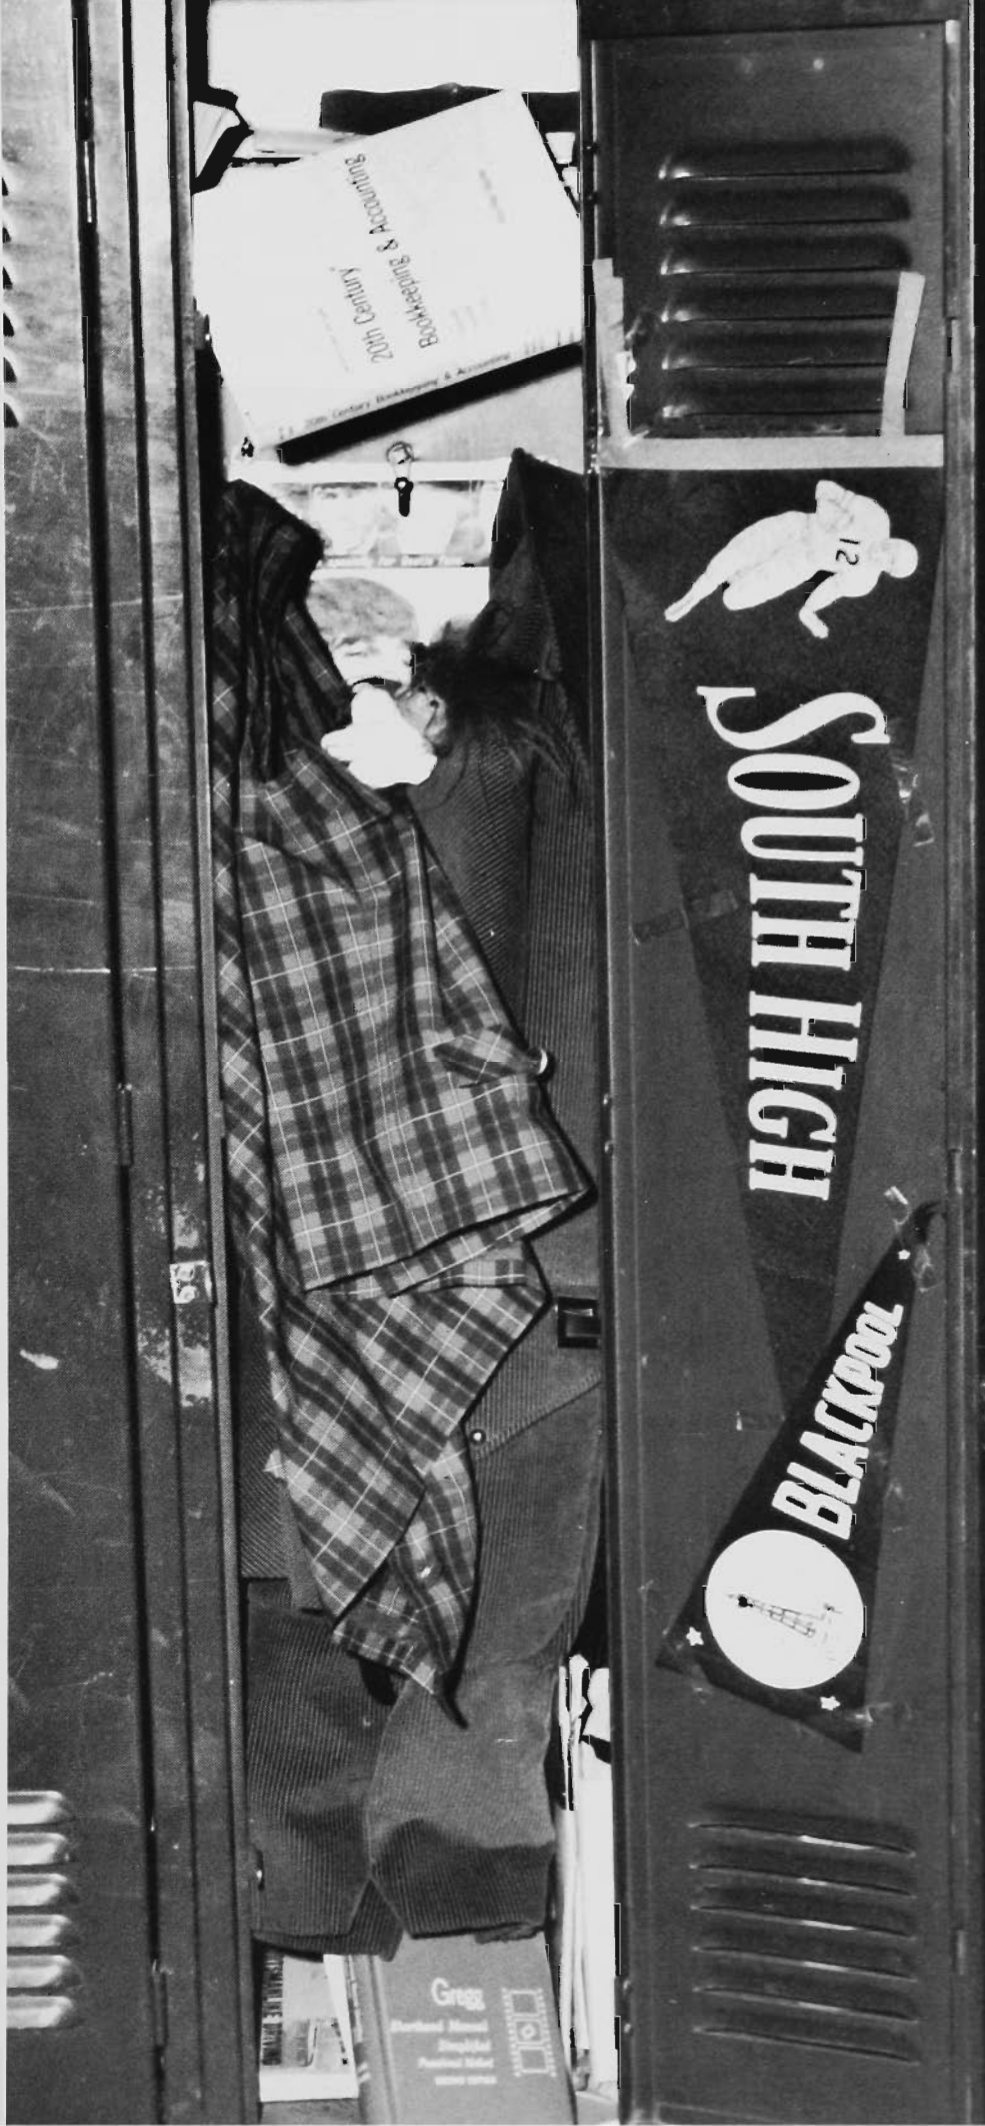

SOUTH

Courage, skills and arts applied,
Beauteous school, maternal guide.

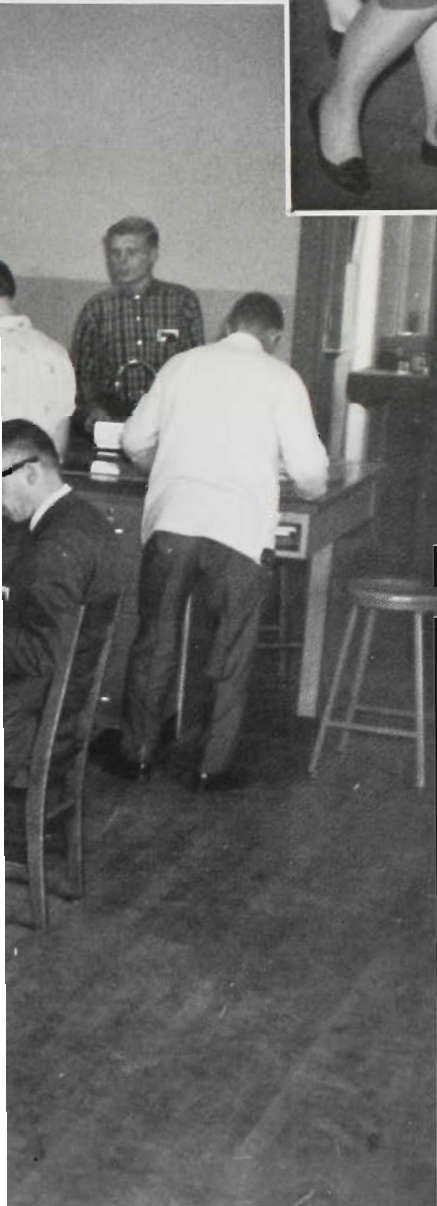

Sons and daughters pledge ye bold,
South High's scholarship uphold,
Service give in South's fair name,
Let character thy life proclaim.

This is not simply a picture of an entrance into South High School. It represents an opportunity for students to enrich and mold their lives through the academic, social, and athletic experiences which they enjoy as Southernaires. The rapid increase in knowledge and the constant changes in modern society require that education be a lifelong process. The chief goal of any high school is to provide students with the desire and ability to continue their search for understanding and competence. The contents of this yearbook is a tribute to the excellence of background which South High provides for its graduates.

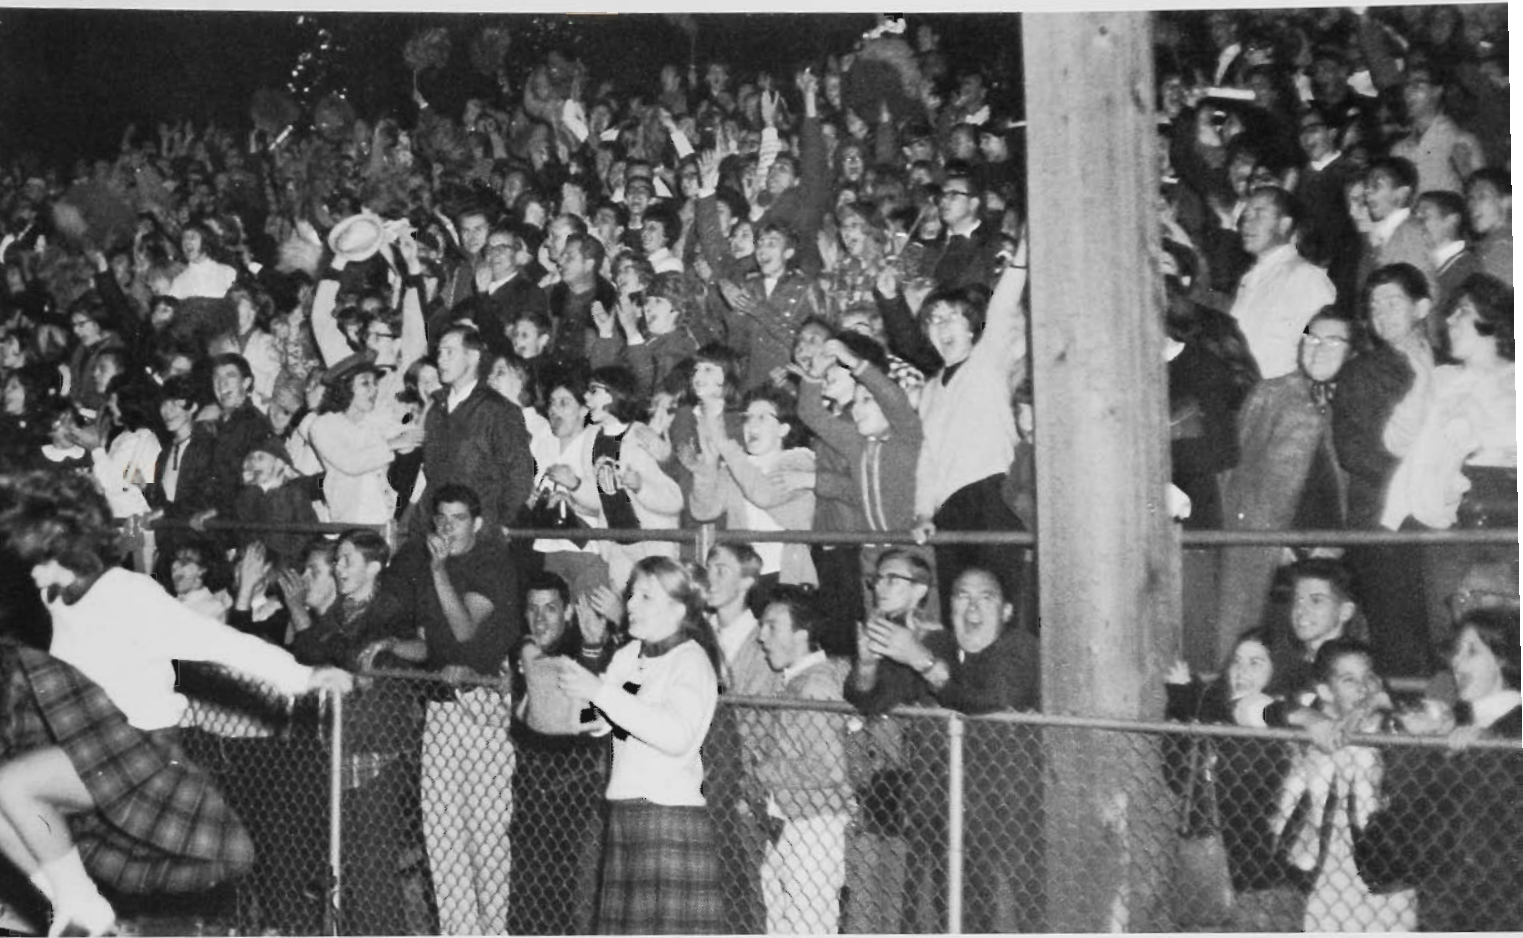

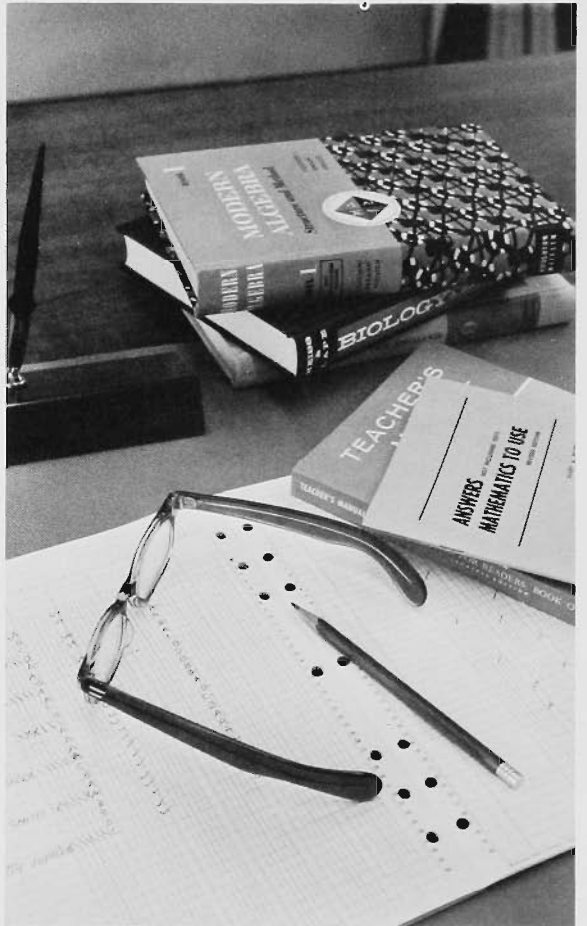

FACULTY

PRINCIPAL'S MESSAGE

TO THE CLASS OF JUNE 1966:

Upon graduation from South High School you become members of a select company. And you are entitled to be proud.

In process of proving yourself by success in high school you have also incurred an obligation. Each of us who has had his capacity sharpened and developed by public education is under a debt. Not, as you might think, to the past so much as to the future. Your debt is to those who come after you--your children and all the children of the future. This is the way civilization advances, the only way.

To work for a world in which peace and plenty, harmony and joy prevail, that is your business. By doing it you will not only discharge your obligation, but will also derive great personal satisfaction.

My wish for you is that your high school successes be repeated in your life, and reflected in the good of our entire community.

'65 SEASON BRINGS
FLYERS SUCCESS

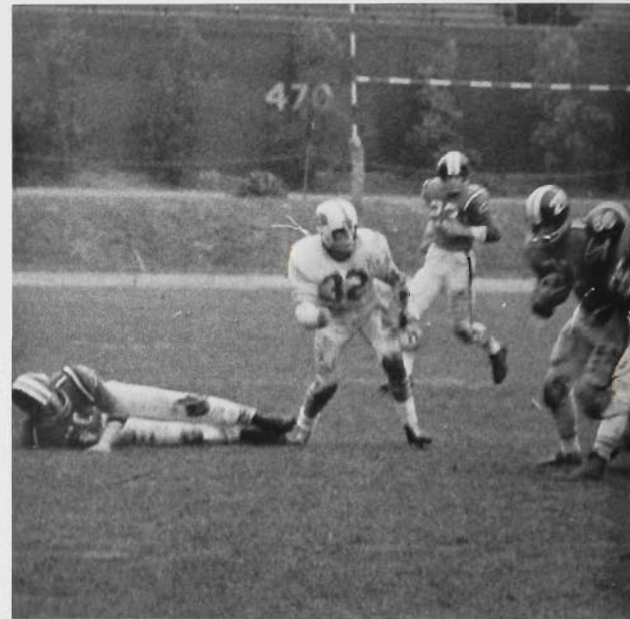

The Flyers won't let this one get away in the 16-0 Marshall

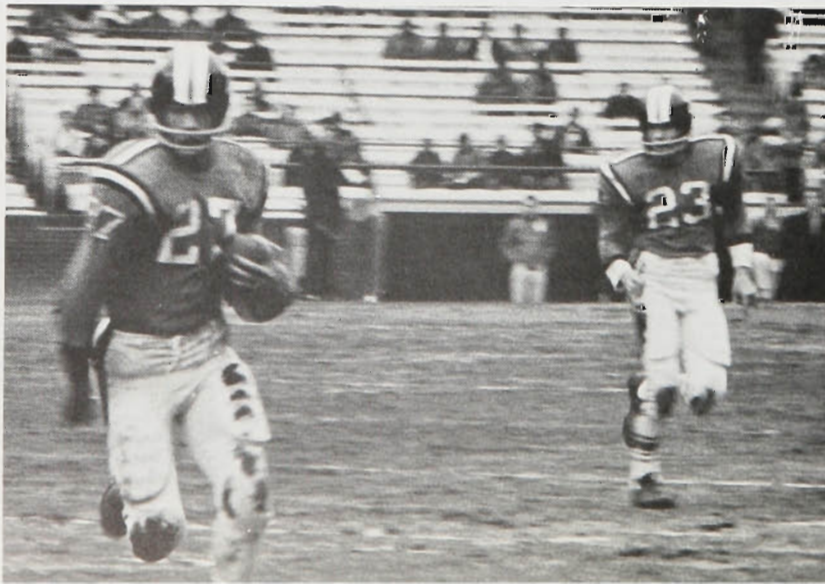

Grabbing a pass

A season of co-ordinated team effort, outstanding coaching, Pres Stars, and Dream Teamers brought South High the West Senate crown and an opportunity to play in the Annual PLAIN DEALER Championship Football Game at Cleveland Stadium. The Flyers accomplished this feat by tying West Tech and defeating all other West Senate opponents. Highlights of the season were South's victories over traditional neighborhood rival Holy Name and the perennially formidable Wildcats of St. Ignatius. The trouncing of the Namers returned the coveted Pig Iron Trophy to South's trophy collection. Prior to the season's end, South was tied with West Tech in the West Senate race. The unforgettable encounter with the Benedictine Bengals saw South's valiant defensive wall overcome 29-8.

South High's grapplers treated fans to an especially interesting season of mat action with only three defeats in the entire season and ranked a comfortable second place in the West Senate.

1965 CITY CHAMPIONS

BASEBALL

For the first time in the school's history, South captured the City Championship in baseball. Highlighting the season were the two no-hitters of Norm Markiewicz and the grand-slam home-run by Bob Hegedus which clinched the victory over West Tech. Propelled by a strong defense and high-powered hitting led by Lou Kodek, the Flyers soared through the season's schedule easily and ended it with the climatic defeat over the Benedictine Bengals. Bob Martin, Norm Markiewicz, and Lou Kodek were selected for All-Scholastic baseball honors.
